

President's Remarks

As we enter the final quarter of this most trying of years we seem to see a bit of light on the horizon. While this recession has been a tough one, at least most of us are coming through it intact.

It is with this economic climate in mind your board of directors has taken the unusual step of postponing the Canadian Clean show for two years. We feel this is the responsible thing to do in light of the current economic climate.

On a more positive note, we held our annual CLATA golf tournament in Belleville, Ontario in September and reports from those in attendance were that it was a smashing success.

This Holiday Season take the time to express and demonstrate your appreciation you have for all the love ones around you. In all your activities, take the time to listen to their conversation, watch and observe their gestures when they are around you, take that extra time to give back the support you received all year around, although you may have been too busy to appreciate it...

I wish you, your family and friends a Fantastic Holiday Season. Heath, Happiness and Success for 2010.

In closing, I would like to thank our many members for their continued support of our association.

Bob Stevens, President

Commentaires du Présidents

À l'aube du dernier trimestre de cette année éprouvante, il nous semble voir un peu de lumière à l'horizon. Bien que cette récession a été difficile, au moins la plupart d'entre nous passent à travers encore intacte.

C'est avec ce climate économique dans l'esprit que votre conseil d'administration a pris l'initiative inhabituelle de différer le 'Clean Show' canadien pour 2 ans. Nous pensons que c'est la chose responsable à faire compte tenu de la conjoncture économique actuelle.

Sur une note plus positive, nous avons tenu notre tournoi de golf annuel de la CLATA à Belleville en Ontario en Septembre et les commentaires des personnes présentes étaient que ce fut un succès retentissant.

En cette période des Fêtes, prenez le temps de démontrer aux personnes importantes dans votre vie toute l'appréciation que vous avez envers eux. Soyez attentif à leur conversations, écouter leur discours, regarder leur gestes, apprécier leur sincère engagement envers vous et redonner leur cette passion.

C'est votre tour de partager votre amour avec vos proches... Joyeuses Fêtes et une Bonne et Heureuse Année pour vous et les personnes qui vous entourent...

Santé, joie et paix pour l'année 2009 !
